20th October 2013

Resignation of Region 4 Ladies Councillor

It is with regret that I accept the resignation of Region 4 Ladies Councillor Jackie Collins due to personal reasons.

This now creates a casual vacancy in Region 4.

I been in contact with Sue Lloyd Ladies Asst Councillor and we are seeking a female member of Region 4 to fulfill this casual vacancy until the Region 4 AGM next year. Sue currently has a number of projects on the go and seeks the assistance of some-one to help with the Council role. Women's Country Round Robin has been arranged, with Kath Mader accepting the job to run the women's event and helpers volunteering to organize Women's Round Robin next year. A meeting of ladies selectors is being held shortly.

If you can assist with filling the casual vacancy contact either Sue Lloyd or myself.

State Pairs

Nominations for State Pairs close with Bowls SA on Thursday October 24th 2013.

Nomination forms and monies must be received by Bowls SA by the closing date.

Section play & knock-outs will be held at Waikerie Bowling Club on Sunday November 17th & 24th 2013.

Barossa & Light Bowling Association

Barossa & Light Bowling Association have put a request forward to Region 8 to transfer from Region 4 to Region 8. Region 8 has held a special general meeting and has accepted the request put forward by Barossa & Light Association.

This now means that discussion will need to be held between Region 8 & Region 4. The Bowls SA Boundary Committee has received notification. This will be the start of discussions and I ask all clubs and Associations to commence discussions, as in due course a special general meeting will be called to discuss this matter.

As stated this is only the start of the process and there is a long way to go. I will need to talk to Bowls SA & Region 8 on the process going forward.

Regards
Ian Graetz
Chairperson
Region 4
